The Intelligencer.

OFFICE: No. 15 Quincy Street.

SATURDAY, FEBRUARY 19, '70. MESSIS. FISK & HATCH are now adver-

tising the first mortgage bonds of the Chesapeake and Ohio Railroad Company. INCHEASED TAXATION -A resolution gine! was introduced in the Senate, yesterday, by President Farnsworth directing an infor the further construction of the Hospital for the Insanc.

GEORGIA SENATORS.—The Georgia Legislature has chosen Mr. Blodgett Sena- tion. As early as the forepart of the sevenfor the long term, commencing 1871, Mr. Farrow for the term ending 1873, and divine, Chillingworth, had suggested that Mr. Whiteley for the term ending 1871, the Bible alone was the only creed upon The Democrats made no nominations, which the Christian world could become and declined to vote. The Senate will now decide whether these gentlemen or raneous with Mr. CAMPBELL's first utter Messrs, Hill and Miller are to be admitted.

ALEXANDER CAMPBELL.

The first remark we desire to make in regard to purely Scriptural bases of regard to the volumes before us is as to faith and church organization. Whatever the ucltivated and correct taste which others may have done at the outset, he it the ucitivated and correct taste which others may have done at the outset, he it their typography, paper, binding, and was who took the field most actively and general make-up, indicate on the part of effectively, in advocacy of the new views, the blood through the part where applied, by the author and his publishers. Every- and in a short time gave them that general

house from which they are issued. As to the subject matter of these Moremarkable labors that have made him

and authoritative memoir of his life and further his qualification for such a task, reminiscence given in regard to it. We we may mention that he is the author of quote what is said as follows: one or two works published some years ago, containing elementary information in regard to what is popularly known as "Campbellism," and is recognized as one of the most accomplished writers in the

they therefore discard all creeds and Confessions of Faith as human inventions, and as so many virtual admissions to the unbelieving world that an open Bible is essent, which contained in this passage not of itself an all-amplicient rule of faith. and practice for those who profess to accept it as a Divine revelation, and as an admission also that it needs to be supplemented by human aids in order to discover what it intended to reveal as regards er what it intended to reveal as regards that must be under given circumstances man's temporal and eternal interests. All The result was the same in both cases. A such Creeds and Confessions, they maintaln, have ever tended, and must necessatain, have ever tended, and must necessarily ever tend, to beget sects and divisions, which are the scandal and weakness of Christendom, and as such prevent the union of all believers in one Catholic and Anostolic Church on the basis of these Apostolic Church on the basis of there, the precepts and precedents furnished shall not attempt to speak in this connec-

The life of Alexander Campbell was certainly a remarkable one. Born in the North of Ireland-educated, in part; in

posed in the Memoirs, it is somewhat di ficult to say just what measure of agency attaches to any one of several names tha reform to which Mr. Campuna, name, more than that of any other man, has been given in popular estimation. The case reminds us of the experiments that were made at various of the principle, of the steam en-

Several experimenters had the

principle in their minds without any intercourse with or knowledge of each other quiry into the propriety of increasing the but it remained for JAMES WATT, mor rate of taxation this year 5 cents on the than any other man, to reduce the princi-\$100 for the purpose of providing funds ple to availability, and hence in so doing, was, in a manner, with Mr. CAMPBELL and several others in his religious reformateenth century the celebrated English united. And in this country, cotempo raneous with Mr. CAMPBELL'S first utterances and movements, there were steps in

Between what he storekeepers throughout the United Storekeepers throughout throu others in Scotland, and what his father, who had preceded him to this country had initiated, he obtained his start as to the ideas afterwards more fully developed its unpre-

tainly do marked credit to the respectable movement. We suppose it likely enough that a dian of his commanding talents New York. would have became distinguished ever moirs, we feel that we might interest a had be remained in the faith wherein he considerable number of our readers by was born and educated. Indeed, it is easy commenting and quoting at decided enough to perceive that nature had high length, from their pages, did circumstances ly qualified him to take decided views of permit, for there is much in the life of a things and boldly maintain them. He man like Alexander Campbell to interest even the general reader, and still more troversialist. This was evident from an to interest those who were not only famil- early day in his eventful career, and hence har with his fame but likewise with his it was not at all strange that he became personal presence as an acquaintance, in time a champion debater, as it were friend or neighbor. It was here, in our and was so often seen on many hard immediate vicinity that he lived and died, fought fields battling on the great religious and began, carried on and finished those issues of the day. On two occasions he drew to himself unusual attention as a famous far beyond these limits and pro-theological disputant, and to those occaduced so deep an impression on the times sions owes no little of his general reputation before the religious world. We refe The writer of these Memoirs is Dr. to his debates with ROBERT OWEN, the ROBERT RICHARDSON, a highly gifted and Infidel and Socialist, in 1829, and with accomplished man, who lives near the Bishop Purcell, of Cincinnati, in 1836 village of Bethany, and who was Mr. These are considered his two leading de-CAMPBELL's intimate friend and co-adju-bates, and more than any others, perhaps tor throughout a great period of his la- exhibit his capacity and resources in the bors, and as such was recognized and particular sphere of his labors. He had designated by Mr. Cs family and friends another quite noted debate at a subseas the proper person to write out a full quent day with Rev. Dr. N. L. Rice, and we find in an article in the Louisville religious views. And as evidencing still Journal the following somewhat striking

of the most accomplished. Writers in the denomination with-which he has such prominent connection. When we scan the contents of the two volumes on our table from his pen, and compare the style within with the style without, we say that here are "apples of gold set in pictures of silver."

In regard to the name of "Campbellism" quoted above, and which is popularly attached to the tenets of those who hold the views advocated by Mr. Campbellism, it is proper to say that neither he nor they ever accepted any such mane, but, on the contrary, recognized only the designations of the early followers of Chirist, such as "Disciples" and "Christians." It is one of their peculiarities as a people that they aim to follow as literally as possible the primitive and Apostolic names, practices and teachings, and that they therefore discard all creeds and Contract the property of the designations of the carly followers of chiral the primitive and Apostolic names, practices and teachings, and that they therefore discard all creeds and Contract the property of the designations of the primitive and Apostolic names, practices and teachings, and that they therefore discard all creeds and Contract the property of the p that by no author, sacred or profane, had

As we said at the outset, there is much by Curusr and his immediate followers. in these Memoirs that we might quote and This view is their leading characteristic descant upon as matters of interest to as a people, but not the only one that distinguishes them from other religious public. But our limited space forbids bodies, but of their views in general we and we must therefore refer all who fee shall not attempt to speak in this connection, but refer all who desire such information to the expositions contained in these found upon the shelves at the book store REAL ESTATE AGENTS. further interested to a perusal of the inter-

certainly a remarkable one. Born in the North of Ireland—checane to Washington county, Pa., as a young Presbyterian clergy; man, and at an early duy removed to Brooke county, in this State—to a wilderness spot, as it were, on Buffalo Creek—and from such an obscure standpoint began those discussions of religious matters that have made his name so well known to our readers and the country at large. Before he left Glasgow University, in Scotland, it seems that he began to have doubts about the scriptural correctness of the faith in which he had been raised, and it is related that after a long struggle with his conscience on a certain communication occasion, he concluded to drop his metal token on the plate and forego partaking of the emblems. These new ylevs were not, it seems, original with himself at least not wholly so, but had been suggested by intercourse with other minds. Indeed, in looking over the ground as ex-A Democratic Dawes.
